OUTWARD BOUND CANADA

Give the Gift of Stock
to support Outward Bound Canada

Benefits of Giving Stock

Your charitable gift of stock can be applied to your income taxes over the next five years. In addition, thanks to changes made by the Federal Government on May 2, 2006, any capital gains taxes you would have normally paid on the shares are eliminated.

How to Make your Gift

There are two simple steps that need to be taken in order to make a gift of stock:

1. Contact your broker to initiate the gift

Your broker will require specific information in order to make an electronic transfer of stock from your account to the appropriate account of Outward Bound Canada. The attached form ("Letter of Instruction for Stock Transfer") contains all the information your broker will need. You can complete this form and forward the information to your broker in order to initiate the transfer.

2. Contact Outward Bound Canada to inform us of your gift

Call us at 1-888-688-9273 ext 214 or by email at: giving@outwardbound.ca
In case your broker does not forward this information to Outward Bound Canada, it is important to ensure that: we know your gift is on its way, we know how you would like the gift to be used, and we know whom the gift is from and in whose name to issue a tax receipt. Please fill out the attached form ("Notice of Transfer of Stock") and email a copy to the Outward Bound Canada philanthropy team.

What Happens Next

Our broker will sell the stock on behalf of Outward Bound Canada. Our broker then issues a transfer for the net proceeds of your gift. Once your gift is received, we will process your donation and issue an official tax receipt.

OUTWARD BOUND CANADA
